Sure – I think it would be good for me to start to go through other portions of the documents. I assume you'll note technical changes to the permit & corrections, for example. There is no reason I should wait to start to look through some of the documents. I have some time this week so thanks for checking. I'll wait to complete my review until I hear back from you that HQ is done. Thanks.

Lynne

Hi Lynne and Cynthia,

We sent forward the South Fork permit and RTC to HQ earlier today. We're looking to have their review complete by COB Thursday. **Ex. 5 Deliberative Process (DP)** I expect you'll want to review the document more holisitically.

Would you like to review these documents concurrently with HQ? Again we're shooting for signature on Tuesday, Jan 18. With Monday, Jan 17 being a holiday, we'll likely need to get all the materials to Deb by next Friday.

Let me know. Thanks,

Pat
